Yes. Then please provide me a way of entering my credit card, if not already paid, so that we can proceed ASAP. Thanks, Miranda.

Good evening Mark,

Ron reminded me that he spoke with you about efilng.

For this the only thing needed is a credit card number, security code and zip.

This will be the quickest way for us to file anything regarding the case.

Hi Ron,

When you have an idea of around when the notice will be served, would you please let me know?

Also, just as an informal rule of thumb, is two weeks about the expected time frame till when the sheriff will force out the tenant? Assuming:

- \* the tenant doesn't comply with the 3-day notice
- \* the tenant does not oppose the court complaint

Thanks,

Mark

**Subject:** 16272 Chipper Lane, Huntington Beach - eviction

Ron,

Here are the facts of assault, as alleged by Annalise Hunt.

Annalise is an 80 year old woman who is also a tenant at 16272 Chipper Lane in Huntington Beach. On 12/25/2022, she was vaginally raped by Ken VanNatta. Her injuries were not only vaginal, but also included bruises to her shoulder and ribs from an assault. On that same day, 12/25, she went to Fountain Valley Regional Hospital Emergency Room. She believes the hospital then filed a police report.

On Wednesday, 1/18/2023, Annalise's hand bag was stolen by someone inside the house. She believes the thief was Ken VanNatta, since he was the only person in the home who could have taken the bag. She later found the bag dumped in the garage, but missing her phone and wallet.

She has reported Mr. VanNatta often being menacing, threatening and crude toward her. Please note that Mr. VanNatta is openly a porn addict, evident from his social media Web pages: <https://mobile.twitter.com/5dbd81c417cd4a6>
