Hi, this is a follow-up. Can you please inform us of status? I think it might be something like:

- * You and the other insurance company are still determining fault; or,
- * You are making a third-party claim on my mother's behalf; or,
- * You are advising that she not directly make the third-party claim.

Thanks,
Mark

The driver would like the other party's claim number and insurance contact info. She did not say why, but I assume she wants to make a third-party claim. Is that advisable? I thought normally, the two insurance companies do all the fact-finding and negotiation.

Thanks.
