Hello again.

We'd also like to include Leo. I thought a gift card to Amazon so he could select whatever he wanted.

Hien thinks that is too boring and is probably correct 😊. Is there something specific Leo would like?

Hi Chris,

We are looking forward to seeing you and Hien again! Hmm, I think she would like some sort of sketch pad and drawing/coloring markers. She is always into drawing and coloring. If Hang says something different (in the next day or two), we will let you know.

Hi Huy and Hang,

Thanks so much for the invitation to Zoe's birthday celebration. We are looking forward to it.

We'd like to know what Zoe would like for her birthday? Is there anything she's really into right now?

Thanks,
Chris
