I saw that in his room. I thought you shared it with him already but let me read it with him. I'm curious whether he'll be able to read it by himself

Thanks so much. I'm not sure if Dad can read but I gave him a printout of the announcement.

Hi,

Here's info on a new post that I've taken on. It's not full time but a fun next step for me to learn. I'll also be doing some independent consulting. A former SPR colleague and I just found out we won a nice contract with the Ford Foundation.
