They automatically send out ballots to everyone so that you can vote by mail. You should try to vote by mail next year. It's easier. It doesn't cost anything to mail it in either.

Ok
That is why i asked you
I voted already!
This year i decided to go to the vote center today
I had to go 3 times in the rain
First time to chutch
second time to cal-state hayward
After my nap i went to the library
Reason, there no no sign and no line!
