Hanh

Please stop giving me free advices

As long as mine brain still functions, i know what i am doing to keep my active and independent life

Any of your advice about cleaning my house keeps me awake all night , because i can not do more than what i am doing so far

I always try hard to keep myself from saying something that hurt others and a i want others to treat me the same

That is why i keep living by myself

Please respect me as much as others
