Hi Mom,

Here is what I told you over the phone yesterday:

The cemetery listing has *\*not\** been posted yet. Nobody has seen it yet, except for the people who run the website.

Any part of it can be edited at any time, including the price.

I think what you have is only worth \$22,000 in the third-party Marketplace. So that's what I proposed to be posted. But I said I could be wrong about that. And, again, nobody has seen the \$22,000 listing yet. Because it has not been posted to the public.

If I can help you in any way with this listing, just let me know, and I will provide you with the information you need. For now, I'm freezing the posting so the public won't see it.

Thanks,  
Huy
