Thanks for sharing the policy. Very helpful. Given that you've already paid for the full coverage for the Corolla, can mom just pay for the \$614 to give her time to set up a new policy before April?

Please provide Geico login info. We need to get information on the other party's car insurance.

Attached is the policy. It's bizarre that the Honda Accord coverage is different. Sorry, I don't know why and I don't remember why.

I will create a separate authorized user for Mom, if she or you need to log in to the Geico account in the future, rather than share my password. Just let me know if there is a need.

Thx. Did you set up a password for Mom or is it your account?
