The Effective Date Coverage of Your Current Skilled Nursing Services Will End: 8/02/2023.

- Your Medicare provider and/or health plan have determined that Medicare probably will not pay for your current Skilled Nursing services after the effective date indicated above.
  - \* You may have to pay for any services you receive after the above date.

**Your Right to Appeal This Decision**

- \* You have the right to an immediate, independent medical review (appeal) of the decision to end Medicare coverage of these services. Your services will continue during the appeal.
- \* If you choose to appeal, the independent reviewer will ask for your opinion. The reviewer also will look at your medical records and/or other relevant information. You do not have to prepare anything in writing, but you have the right to do so if you wish.
- \* If you choose to appeal, you and the independent reviewer will each receive a copy of the detailed explanation about why your coverage for services should not continue. You will receive this detailed notice only after you request an appeal.
- \* If you choose to appeal, and the independent reviewer agrees services should no longer be covered after the effective date indicated above:
  - Neither Medicare nor your plan will pay for these services after that date.
- \* If you stop services no later than the effective date indicated above, you will avoid financial liability.

**How to Ask For an Immediate Appeal**
