Mom's not quick to react to things and might need help. You might give her more of a heads up.

I doubt it, but it doesn't take too long to get to get insurance quotes. I will remind her around September 1st.

Hi Hanh,

I am seeing that Dad's car insurance will be expiring on Sep 19th. That includes three cars (Mom's as well; and Mom didn't want to share an insurance policy with Dad anymore). The annual cost is high, something like \$3,700, so probably I should drop insurance as well sell both cars before 9/19.
