Unrealized Gain / Loss Summary

Description	This Period
Short-Term Loss	(296.47)
Short-Term Net Gain / Loss	(\$296.47)
Long-Term Loss	(5,611.13)
Long-Term Net Gain / Loss	(\$5,611.13)
TOTAL UNREALIZED GAIN / LOSS	(\$5,907.60)

Unrealized Gain / Loss represents Gain / Loss data since the date of acquisition.

Holdings

The total cost basis for each security position and the unrealized gain/loss are provided solely for your convenience and may not be used for tax purposes or otherwise relied upon. If you have questions related to the tax treatment of your investments, please consult your tax advisor. Unrealized gain/loss total reflects only those positions for which a cost basis is available or has been provided. J.P. Morgan has not, and cannot, validate the cost basis of positions reported by you or your agent, and are displayed solely for your convenience. Information on this statement related to cost and gain/loss calculations does not include adjustments for wash sales that may have occurred on transactions pending settlement. These wash sale adjustments, if any, will be reflected on your next statement.

For Mutual Funds, itemized cost basis displays each purchase, the aggregation of long term and short term investments, and/or the aggregation of long term and short term positions which origination cannot be determined, noted as 'Other'. For Mutual Funds, Market Value vs. Purchases is provided to assist you in comparing your total purchase, excluding reinvested distributions, with the current market value of the position. For Mutual Funds which you choose not to reinvest distributions, 'Cumulative Cash Distributions' is displayed to assist you in monitoring the position. This Cumulative Cash Distributions will only reflect cash distributions made after June 1, 2018. Investment Gain/Loss calculates the difference between your cost of Purchases from the current value of the fund, plus Cumulative Cash Distributions. In any Mutual Fund tax lot is noted 'Other' or cost basis is not available. Investment Gain/Loss will display 'Not Available.'

Investment Gain/Loss display is for informational purposes only as does not reflect your total unrealized gain or loss, nor should it be used for tax purposes.

ANNUAL ACCOUNT FEE REMINDER

Your investment account(s) may be subject to a \$50 annual fee, which, if applicable, will be charged to the account(s) in the first quarter of 2025. Please ensure that your account(s) has sufficient cash or cash equivalents (for example, money market funds) to cover the fee.

If you or your account(s) meet any of the following waiver criteria by December 31, 2024, this annual fee will not be charged:

- You are a Chase Private Client
- You have \$25,000 or more in combined investment balances
- Your account(s) was opened in the 2024 calendar year
- You have an account(s) with one or more commissionable trades in the 2024 calendar year totaling \$50 or greater
- Your account(s) are retirement, managed or You Invest account(s)

If you have questions about this annual fee, please contact your J.P. Morgan Advisor(s).

EMPLOYEE COMPENSATION

Employees of JPMorgan Chase Bank, N.A. may be eligible to receive compensation when they refer clients to J.P. Morgan Securities LLC (JPMS). Additionally, other JPMS employees who assist or consult with your advisor may be compensated when you make certain investment purchases. These compensation payments, if made, will not increase your account fees.

LARGE TRADER REPORTING

A "large trader" is a legal entity or natural person who, directly or indirectly, through the exercise of investment discretion, effects transactions in the National Market System (NMS) securities that equal or exceed either:

- 2 million shares or \$20 million during any calendar day; OR
- 20 million shares or \$200 million over any calendar month.

The U.S. Securities and Exchange Commission (SEC) Rule 13h-1 Large Trader Reporting System requires U.S. and non-U.S. market participants who meet the definition of large trader to:

- File an electronic Form 13H with the SEC (via EDGAR) to obtain a large trader identification number (LTID); and
- Promptly disclose to U.S. broker-dealers that execute trades or carry accounts for the large trader, their LTIDs and the accounts to which the LTIDs apply.

If you are a large trader and have completed a Form 13H, you will receive an LTID from the SEC. In order to ensure that LTID's are captured and reported as required under the SEC rule, you are required to promptly report your LTID to us and identify each account to which the LTID should be applied.

ELECTRONIC FUNDS TRANSFER NOTICE

In case of errors or questions about electronic fund transfers to/from your account (via the Automated Clearing House (ACH) Network), your account statement or transaction record, please call us immediately at 1-800-392-5749 or write to us at J.P. Morgan Securities LLC, PO Box 1762, Mail Code: IL1-0291, Chicago, IL 60690-1762.

Please provide the following information:

1. Your name and account number,
2. The dollar amount of the suspected error, and
3. A description of the error or the transfer you are unsure about; please explain as clearly as you can why you believe it is an error or why you need more information.

Please note: We must hear from you no later than 60 days after we sent the first account statement on which the problem or error appeared. If you tell us verbally, we may require that you send us your complaint or question in writing within 10 business days. We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question; for errors involving new accounts or foreign-initiated transactions, we may take up to 90 days to investigate. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error (new accounts may take up to 20 days). However, if we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. If we determine at the conclusion of the investigation that there was no error, we will charge your account for the credited amount. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Messages (continued)**J.P. MORGAN SECURITIES LLC NET CAPITAL REQUIREMENTS**

J.P. Morgan Securities LLC (JPMS LLC) Consolidated Statement of Financial Condition

The June 30, 2024, unaudited Statement of Financial Condition may now be viewed at <https://jpmorganchaseco.gcs-web.com/ir/sec-other-filings/financial-statements..> If you would like us to send you a printed document at no cost, call us at 212.552.9891.

J.P. Morgan Securities LLC Net Capital Requirements

JPMS LLC is subject to Rule 15c3-1 under the Securities Exchange Act of 1934 (the Uniform Net Capital Rule). As of July 31, 2024, JPMS LLC net capital of \$25.2 billion exceeded the minimum regulatory net capital requirement of \$5.7 billion by \$19.5 billion.

COMPENSATION RECEIVED IN CONNECTION WITH MUTUAL FUND TRANSACTIONS

Advisors, distributors or other affiliates of certain mutual funds (which include money market and non-money market funds) may enter into arrangements to pay brokers that distribute their shares for administrative, technological or other services, including marketing and other support services provided to such funds or their affiliates. These fees, commonly referred to as "revenue sharing," are separate from, and in addition to, any shareholder servicing or distribution fees that a mutual fund pays out of its own assets pursuant to its Rule 12b-1 plan and other expenses which are described in a fund's prospectus fee table. Revenue sharing fees are paid out of the assets of the fund affiliate and not from the fund's assets and, therefore, have no impact on a fund's expense ratio or yield.

J.P. Morgan Securities LLC ("JPMS") receives compensation from fund families or their affiliates for providing certain administrative and clearing services. These payments are calculated either based on a percentage of the average dollar value of the fund assets held by JPMS in customer accounts or based on the number of mutual fund positions in the accounts. These fees may be paid from fund assets or may be subsidized in whole or in part by the advisor, distributor or other affiliates of the fund through revenue sharing. Revenue sharing payments are negotiated separately with each fund family and not all fund families pay the same amount or pay according to the same formula. There is, therefore, a potential conflict of interest in the form of an additional financial incentive to J.P. Morgan for making available to customer mutual funds whose affiliates enter into revenue sharing arrangements.

For the administrative and clearing services noted above, JPMS may receive revenue sharing payments of up to 0.50% per year or the average daily assets of fund shares carried in customer's accounts at JPMS and/or a rate of up to \$21 per year per mutual fund position in each account, as applicable. To establish such arrangements with a fund company, JPMS has either entered into an agreement directly with the fund company or has entered into an agreement with a service provider which, in turn, has entered into an agreement directly with the fund company. Please note that the actual amount received by JPMS may be subject to periodic waiver by fund families and such waivers may reduce the actual amount received by JPMS. Funds whose affiliates do not make such revenue sharing payments to JPMS are generally not offered or recommended by JPMS, and in some cases, have higher returns or yields than funds whose affiliates do make revenue sharing payment. Compensation JPMS receives under these arrangements may be passed on to affiliates or non-affiliates of JPMS.

In addition to these payments, JPMS may receive additional revenue sharing payments from certain fund families. Most funds offered by JPMS make these additional revenue sharing payments based upon the percentage of a client's total purchase amount in one of these funds. Percentage payments to JPMS generally range from 0.08% to 0.25%. If, for example, a client invested \$10,000 in a fund that paid 0.25%, the fund's advisor, distributor or other entity would pay JPMS \$25. In addition, for any fund held in a client's account, and for as long as the client holds that fund, JPMS will receive an additional payment, paid quarterly, as a percentage per year of the amount held. Percentage payments generally range from 0.02% to 0.08%. For example, on a \$10,000 holding, 0.08% is \$8. Additionally, JPMS may receive an annual payment of up to \$290,000. Lastly, JPMS may be reimbursed by or on behalf of mutual funds for expenses incurred for various sales meetings, seminars and conferences held in the normal course of business. Financial Advisors do not receive additional compensation from these revenue sharing payments made to JPMS.

The amounts listed above have been updated from those previously provided to you. The prospectus and Statement of Additional Information of mutual funds available through J.P. Morgan or your broker contain information regarding revenue sharing payments made by affiliates of the fund companies. In addition, information regarding revenue sharing can be found at www.Chase.com or related websites.

INVESTING IN MUTUAL FUNDS AND COMPLEX FUNDS

Please visit www.jpmorgan.com/mutualfunds and www.jpmorgan.com/complex-funds to view our guides to mutual fund investing and complex funds. We encourage you to review each product's prospectus and term sheet for detailed information about investment objectives, risks, charges, expenses and other details.

For questions, please contact us using the information provided on the front of this statement.

Messages (continued)**INVESTOR EDUCATION AND PROTECTION**

J.P. Morgan Securities LLC is registered with the Municipal Securities Rulemaking Board (MSRB) and the U.S. Securities and Exchange Commission (SEC). The MSRB provides investor information and educational documents online at [msrb.org](https://www.msrb.org), including their "Information for Municipal Securities Investors" brochure, also referred to as their "Investor Brochure," which summarizes key principles of their rules that are designed to help protect investors who trade municipal securities. It also includes instructions on how to file a complaint against a registered brokerage firm or individuals associated with them.

EXTENDED HOURS TRADING RISK DISCLOSURE

You should consider the following points before engaging in extended hours trading. "Extended hours trading" means trading outside of "regular trading hours." "Regular trading hours" generally means the time between 9:30 a.m. and 4:00 p.m. Eastern Standard Time.

Risk of Lower Liquidity. Liquidity refers to the ability of market participants to buy and sell securities. Generally, the more orders that are available in a market, the greater the liquidity. Liquidity is important because with greater liquidity it is easier for investors to buy or sell securities, and as a result, investors are more likely to pay or receive a competitive price for securities purchased or sold. There may be lower liquidity in extended hours trading as compared to regular market hours. As a result, your order may only be partially executed, or not at all.

Risk of Higher Volatility. Volatility refers to the changes in price that securities undergo when trading. Generally, the higher the volatility of a security, the greater its price swings. There may be greater volatility in extended hours trading than in regular market hours. As a result, your order may only be partially executed, or not at all, or you may receive an inferior price in extended hours trading than you would during regular market hours.

Risk of Changing Prices. The prices of securities traded in extended hours trading may not reflect the prices either at the end of regular market hours, or upon the opening the next morning. As a result, you may receive an inferior price in extended hours trading than you would during regular market hours.

Risk of Unlinked Markets. Depending on the extended hours trading system or the time of day, the prices displayed on a particular extended hours trading system may not reflect the prices in other concurrently operating extended hours trading systems dealing in the same securities. Accordingly, you may receive an inferior price in one extended hours trading system than you would in another extended hours trading system.

Risk of News Announcements. Normally, issuers make news announcements that may affect the price of their securities after regular trading hours. Similarly, important financial information is frequently announced outside of regular trading hours. In extended hours trading, these announcements may occur during trading, and if combined with lower liquidity and higher volatility, may cause an exaggerated and unsustainable effect on the price of a security.

Risk of Wider Spreads. The spread refers to the difference in price between what you can buy a security for and what you can sell it for. Lower liquidity and higher volatility in extended hours trading may result in wider than normal spreads for a particular security.

IMPORTANT INFORMATION REGARDING PURCHASES INDICATED AS AVERAGE PRICE

Your orders are processed in either (1) one execution at the confirmed price or (2) more than one execution, in which case the confirmed price is an average price. Please contact your J.P. Morgan representative for details regarding actual prices.

FINRA BROKERCHECK PROGRAM

As part of the Financial Industry Regulatory Authority (FINRA) Investor Education Program, BrokerCheck provides investors with the ability to research the professional backgrounds, business practices, and conduct of FINRA-registered brokerage firms and brokers. In connection with this program, investors may call the BrokerCheck Hotline at 800.289.9999, and visit the FINRA website at <http://brokercheck.finra.org/>. An investor brochure that includes information describing the FINRA BrokerCheck Program is available from either of these sources.

Messages (continued)**PAYMENT FOR ORDER FLOW**

JPMS does not receive payment for order flow from market makers for customer orders in equity securities. JPMS receives rebates from and pays fees to some registered securities exchanges for providing or taking liquidity on those exchanges, according to those exchanges' published fee schedules approved by the SEC. Alternative trading systems also charge fees and, in some cases, pay rebates for the provision or removal of liquidity. In addition, JPMS receives marketing fees from options exchanges under marketing fee programs sponsored by some exchanges. Under some circumstances, the amount received by JPMS from a trading center over a period of time may exceed the amount that JPMS is charged by a trading center. These practices are one of many factors that may impact routing decisions and do not alter JPMS' policy to route customer orders in securities to the trading centers where it believes customers will receive the best execution, taking into account, among other factors, price, transaction cost, volatility, reliability, market depth, and speed.

Affiliates of JPMS have ownership interests in some trading centers. Accordingly, JPMS stands to share in any profits that these trading centers earn from the execution of JPMS customer orders on those trading centers. Additional information on the material aspects of JPMS' relationships with the primary trading centers to which JPMS routes, including descriptions of arrangements for payment for order flow and profit-sharing relationships, is available in JPMS' SEC Rule 606 reports at <https://www.jpmorgan.com/disclosures/sec-order-execution>.

NOTICE OF ESCHEATMENT PROCESS FOR UNCLAIMED PROPERTY

Under state law, if no account activity occurs within your investment account for a period of years (as defined by your state) or if your account statement is returned to us as undeliverable, your account will be considered inactive. If this occurs, we will notify you of the action you need to take to reactivate your account. If you do not take action as requested, your account may be deemed "unclaimed" or "abandoned." This starts a process called escheatment in which we are required to transfer your account to your last known state of residence. If your account is escheated, you will have to work with your state to get your assets back. To avoid escheatment, please ensure that your account remains active and that your contact information is up-to-date.

BUSINESS RECOVERY AND CONTINUITY

JPMS maintains a business recovery and continuity plan, including alternate processing and data centers, which will allow us to resume normal business operations including relocating technology and personnel to alternate facilities within 24 hours, in the event of an extended business disruption. The recovery time objective is 24 hours. The plan is reviewed annually, tested throughout the year, and updated as necessary. Investors will be able to obtain information about their accounts at their local Chase branch, by contacting us at the phone number listed on the front of this statement, or by visiting www.chase.com. Every effort will be made to provide investors with timely and accurate information.

EDELIVERED TRADE CONFIRMATIONS

As a reminder, if you've elected to receive trade confirmations by electronic delivery, you can find current and past copies online in the Trade Confirmations section under Statements & Documents. You can also find disclosures and important information about those trades, via a link on that page titled "See important disclosures for your confirmations".

CUSTOMER FREE CREDIT BALANCES

For accounts that are held at JPMS, customer free credit balances may be used in this firm's business subject to the limitation of 17CFR Section 240.15c3-3 under the Securities Exchange Act of 1934. You have the right to receive from us in the course of normal business operation, upon demand, the delivery of:

- any free credit balances to which you are entitled
- any fully-paid securities to which you are entitled
- any securities purchased on margin upon full payment of any indebtedness to us

For clients enrolled in a sweep program, the balance in any bank deposit account or shares of any money market mutual fund in which you have a beneficial interest can be withdrawn or liquidated on your order and the proceeds returned to your securities account or remitted to you.

If this is a margin account and we maintain a special memorandum account for you, this is a combined statement of your general account and a special memorandum account maintained for you under Section 220.6 of Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of this separate account, as required by Regulation T, is available for your inspection.

Unless we hear from you to the contrary, it is our understanding that any free credit balances in your account are being maintained to facilitate your intention to invest such amounts through us.

FUND MANAGER DISCLOSURE INFORMATION AVAILABLE UPON REQUEST

If you have an investment account that is managed by an SEC-Registered Investment Advisor, JPMS will provide a copy of the advisor's Form ADV Part 2A Firm Brochure upon written request.

Messages (continued)

STATEMENT FREQUENCY

We send statements when your account has activity during the statement period that affects your balances and/or security positions. Delivery Versus Payment clients receive statements on a quarterly basis as long as there is a balance, regardless of activity. All other clients receive statements at least quarterly provided their account has a balance or security position.

MARGIN ACCOUNT REMINDERS

If you own a margin account, we would like to remind you that:

Securities and other assets in your account are our collateral for any margin loan made to you. If the securities and other assets in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, we can take action, such as issue a margin call and/or sell securities or other assets in any of your accounts held at J.P. Morgan Securities LLC to maintain the required equity in your account. It is important that you fully understand the risks involved in trading securities on margin. These risks include the following:

- You can lose more funds than you deposit in your margin account.
- We can force the sale of securities or other assets in your account(s).
- We can sell your securities or other assets without contacting you.
- You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call.
- We can increase our "house" maintenance margin requirements at any time and are not required to provide you with advance written notice.
- You are not entitled to an extension of time on a margin call.

Further, if you have a margin account with us, as permitted by law we may use certain securities in your account for, among other things, settling short sales and lending the securities for short sales, and as a result may receive compensation in connection therewith. If you carry a margin balance, your account statement will reflect the current annual interest rate applicable to your margin loan. Please review the current rate, as under certain circumstances the rate may change without advance notice. If you have any questions or concerns about your current interest rate, please speak to your J.P. Morgan representative.

If you are a customer with a margin account, you have consented to our right (to the extent permitted by applicable law) to use, lend or pledge any securities held by J.P. Morgan Securities LLC in your margin account. In certain circumstances, such loans or other use may limit, in whole or in part, your ability to receive dividends directly from the issuing company and/or your right to exercise voting and other attendant rights of ownership with respect to the loaned, sold or pledged securities. Such circumstances include, but are not limited to, loans of securities that you own in your margin account that continue over record dates for voting purposes and ex-dividend dates for dividend distributions. If you do not receive dividends directly from the issuing company, you may receive payments-in-lieu of dividends, which could cause you to lose the benefit of the preferential tax treatment accorded to dividends.

IMPORTANT INFORMATION ABOUT AUTOMATIC REINVESTMENTS

Automatic Reinvestment transactions excluding those conducted by DTC or in open ended mutual funds are processed by J.P. Morgan Securities LLC (JPMS) on an agency basis.

JPMS provides you with the ability to enroll in a program to re-invest any and all dividend, capital gains and return of capital distributions (collectively "Distributions") for securities eligible for participation (the Program). By participating in the Program, all dividends and capital gains distributions paid on eligible accounts or individual securities you have selected will automatically be reinvested into the shares of the same security. The important terms of the Program include:

- **Voluntary Participation.** Participation in the Program is voluntary and you may modify or discontinue your participation at any time. You may enroll by specifying individual securities or have all eligible securities in your account participate in the Program; modify your elections; or unenroll from the Program through the website or by contacting your PCA or FA.
- **Trade Execution.** With the exception of open ended mutual funds, provided you are enrolled in the Program prior to the record date, JPMS reinvests the Distributions from an eligible security on the pay date of the Distribution, at an average weighted price. For certain securities, reinvestment may occur through the Depository Trust Company (DTC), which may be later than the pay date. There may be a difference in price depending on whether the Program trade is made through J.P. Morgan or DTC. These transactions will post to your account when the shares are made available to JPMS by DTC and will be reflected on your statement.
- **No Fees.** No commission or fee are charged for Program trades.
- **Fractional Shares.** JPMS will credit to your account the number of shares equal to the amount of your funds to be reinvested in a particular security divided by the purchase price per share. If made available for your account, participation in the Program may give you interests in fractional shares of securities, which JPMS calculates to five decimal places. You will receive dividend payments proportionate to your partial share holdings.
- **Confirmation of Transactions.** All Program trades will be reflected on monthly account statements. You will not receive separate immediate confirmations for Program trades. You may request the details of any Program trade by contacting JPMS. Transactions that are not part of the Program will continue to receive confirmations contemporaneously with the trade.
- **No Recommendation.** The inclusion of any security in the Program is not a recommendation by JPMS to buy, hold or sell such security. Participation in the Program does not assure profits on your investments and does not protect against loss in declining markets.
- **Eligibility.** Generally, all brokerage accounts are eligible for participation as are most equities, open ended mutual funds, closed end funds and ETFs. Any exclusions will be identified at the time you are enrolled.
- **Program Changes.** Program participants will be notified in advance if there are any material changes to the Program though no notice may be given if there are changes to the eligibility of any particular security.

IMPORTANT UPDATES TO STRUCTURED PRODUCTS

Structured products, including market linked CDs, are marked to market (or priced) on a daily basis. Prices may fluctuate and these investments may be worth less or more than the initial purchase price at maturity. There is no guarantee that a secondary market will exist.

For questions, please contact us using the information provided on the front of this statement.

STATEMENT SUMMARY	BROKERAGE	IMPORTANT INFORMATION
-------------------	-----------	-----------------------

Messages (continued)**2025 ANNUAL ACCOUNT FEE CHANGES**

On or around January 1, 2025, combined deposit account balances of \$50,000 or more will no longer avoid the \$50 annual investment fee from being charged to your account(s). As a reminder, you can avoid this fee if you meet any of the following criteria:

- Have at least \$25,000 in combined investment accounts as of year-end
- Generate \$50 in commissions during the calendar year
- Are a Chase Private Client

For more information, visit chase.com/BrokerageFeeSchedule. If you have questions, please contact your J.P. Morgan Advisor(s) or call us at the number on the front of your statement.

UPDATES TO THE GUIDE TO INVESTMENT SERVICES AND BROKERAGE PRODUCTS

We made the following updates to our Guide to Investment Services and Brokerage Products (the "Guide"). To access a current version of the Guide, go to www.jpmorganinvestment.com.

INVESTMENT ACCOUNTS & SERVICES

- Under "A. Different Types of Investment Accounts," in "Brokerage Accounts," we replaced existing language with revised language stating our fiduciary obligations when we make investment advice recommendations to you for your qualified retirement plan account or IRA. When we provide such fiduciary investment advice recommendations, we are required under a special rule issued by the Department of Labor (DOL) to, among other things, act in your best interest and not put our interest ahead of yours.

However, there are situations where we are not considered a fiduciary under this special rule, such as when we merely provide general investment information and education or when you take an action not based on our recommendation. In addition, this rule is the focus of ongoing litigation filed by certain parties against the DOL and, accordingly, is subject to change.

- Under "D. Different Types of Advisory Accounts," we changed phrasing from "one discretionary advisory program" to "a subset of our discretionary advisory programs," indicating J.P. Morgan Personal Advisors (JPMPA) Financial Advisors in J.P. Morgan Investments Direct (JPMID) "currently offer a subset of our discretionary advisory programs."
- Under "F. Related Brokerage & Advisory Services," in "Margin," under "Description," we changed phrasing from "A margin loan" to "Margin also," indicating "Margin also allows you to borrow against the value of securities you already own." We also removed a note related to pre-and post-March 22, 2021 pricing under "Fees and Costs."
- Under "F. Related Brokerage & Advisory Services," we added a new section for "JPMorgan Chase Deposit Sweep," adding a paragraph generally describing the JPMorgan Chase Deposit Sweep program and a separate paragraph related to interest rates, including information regarding when rates paid on certain balances are higher and where to find current rates.

PRODUCTS AVAILABLE FOR BROKERAGE ACCOUNTS

- Under "B. Fixed Income/Bonds," in "Description," we clarified that your advisor may not recommend the purchase of, or investment in, new bond issuances/syndicates in full-service brokerage retirement and discretionary retirement accounts, except for non-J.P. Morgan issued Retail Fixed Income Notes in full-service brokerage retirement accounts.

COMPENSATION & POTENTIAL CONFLICTS

- We removed references to J.P. Morgan Automated Investing accounts.
- Under "A. Advisor Compensation," we added language related to sales charge discounts, adding a paragraph describing discounts generally and a separate paragraph describing discounts when clients are referred to an advisor by either an affiliate or non-affiliate of J.P. Morgan Securities LLC.
- Under "E. Compensation to J.P. Morgan Securities LLC and Affiliates," we re-titled "Bank Sweep Program" to "JPMorgan Chase Deposit Sweep" and deleted the first sentence of the section, moving it to the new "JPMorgan Deposit Sweep" section described in Investment Accounts & Services.

If you have questions about these updates, please contact your J.P. Morgan Advisor or contact us at the number on the front of your statement.

Messages (continued)

CHANGES TO THE OPTIONS AGREEMENT

Beginning August 26, 2024, the following changes were made to the Options Agreement for clients approved to trade options:

- Automatic Liquidation Process - If you have insufficient funds in your account to exercise or maintain a position, J.P. Morgan Securities LLC (JPMS) may automatically liquidate the position and charge you commissions relating to such transactions.
- BankLink (pertains to JPMS clients who were offered and selected the BankLink option) - Once you add options trading to your existing brokerage account, you will no longer have access to BankLink. This means BankLink will not be an alternative for you to use for either your brokerage or your options account.
- Zero-day options trading (ODTE) is no longer allowed through chase.com.
- For options executed through chase.com, the pricing will be \$0.65 per contract with no minimum. Representative-assisted pricing will not change.

This message is for awareness only. There is nothing you need to do.

If you have questions, please contact your J.P. Morgan Advisor(s) or call us at the number on the front of your statement.

Options involve a high level of risk and are not suitable for all investors. Certain requirements must be met to trade options through J.P. Morgan. Investing involves risks, including loss of principal. Please visit <https://www.theocc.com/Company-Information/Documents-and-Archives/Publications> to read the Options Disclosure Document titled Characteristics and Risks of Standardized Options before considering any options transaction. Supporting documentation for any claims or statistical information is available upon request.

UPDATES TO THE JPMS INVESTMENT ACCOUNT AGREEMENTS AND DISCLOSURES BOOKLET

Effective September 22, 2024, J.P. Morgan Securities LLC (JPMS) is amending the Terms and Conditions section of the Investment Account Agreements and Disclosures Booklet ("Booklet"). The summary below highlights some but not all of the forthcoming updates.

In Section 14, "Inactive, Abandoned or Unclaimed Accounts," we explain in further detail:

- 1)How account assets or checks issued from your account may be considered "abandoned" or "unclaimed" property under state unclaimed property laws (and how to avoid having your account categorized as "abandoned" or "unclaimed").
- 2)If checks written from your account are made payable to another party ("Payee"), the Payee will be deemed the owner of the check. If such checks are "unclaimed" or "abandoned", the Payee will need to file a claim with the state to get the property back.
- 3)How some state unclaimed property laws allow securities and/or property in the account to be sold by the state and that the owner may only be entitled to receive proceeds from such sales.

The current Booklet is available at chase.com/JPMorganAgreement. We encourage you to review these updates carefully and retain a copy of the Booklet for your records.

If you have questions, please contact your J.P. Morgan Advisor or call us at the number on the front of your statement.

Important Information about Your Account Statement(s)

Unless otherwise indicated, accounts are held at J.P. Morgan Securities, LLC (JPMS), member FINRA and SIPC. JPMS is not a member of the Federal Deposit Insurance Corporation (FDIC).

NON-DISCRETIONARY: JPMS brokerage accounts are non-discretionary and all investment decisions are made by the client. For managed accounts, discretionary services are provided by JPMS, an affiliate or an authorized third party.

ACCOUNT PROTECTION: As a member of the Securities Investor Protection Corporation (SIPC), JPMS provides account protection for the net equity of a customer's funds and securities positions. SIPC provides \$500,000 of primary net equity protection, including \$250,000 for claims for cash (SIPC Coverage). Account protection applies when a SIPC member firm fails financially and is unable to meet its obligations to its securities customers, but does not apply to losses from the rise or fall in the market value of investments or to SIPC ineligible assets such as futures, options on futures, foreign exchange transactions, or any investment contracts that are not registered as securities or deposit account balances. For more information about SIPC Coverage, including the SIPC Brochure, visit www.sipc.org (follow the link to How SIPC Protects Investors) or call SIPC at (202) 371-8300.

CUSTODY: JPMS carries your account and acts as your custodian for funds and securities received, which have been deposited directly with us or received as a result of transactions we process for your account. Inquiries regarding your Statement may be directed to JPMS at (347) 643-9953

As used in the course of these statements, "J.P. Morgan" is the global brand name for JPMorgan Chase & Co. and its subsidiaries and affiliates worldwide.

MARKET PRICES: The market value of your holdings is as of the last business day of the statement period or the last available price. Prices for determining market values represent estimates. These estimates are obtained from multiple sources deemed to be reliable. This information is not guaranteed for accuracy and is furnished for the exclusive use of the client.

J.P. Morgan makes no representation, warranty or guarantee, express or implied, that any quoted value represents the actual terms at which securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities could be liquidated. Such values are only indicative.

ESTIMATED PRICING AND COST BASIS: Certain assets, including but not limited to, pooled and private investments, non-publicly traded and infrequently traded securities, derivatives, partnership interests and tangible assets are generally illiquid, the value of such assets may have been provided to us by third parties who may not be independent of the issuer or manager. Such information is reflected as of the last date provided to us, and is not independently verified.

Pricing estimates may be based on bids, prices within the bid offer spread, closing prices or matrix methodology that uses data relating to other securities whose prices are more ascertainable to produce a hypothetical price based on the estimated yield spread relationship between the securities. Pricing estimates do not constitute bids for any securities. Actual prices realized at sale may be more or less than those shown on your statement.

Unpriced Direct Participation Program (DPP) and Real Estate Investment (REIT) Securities: DPP and REIT securities are generally illiquid and the value of the security will, generally, be different

from its purchase price. Accurate valuation information is not available. The total cost basis for each security position and the unrealized gain/loss are provided solely as a general indication of performance and should not be used for tax purposes or otherwise relied upon without the assistance of your tax advisor. With respect to security positions received into your account, cost basis information, if any, has been provided by you. Further information is available upon request.

You may hold positions where the original cost basis has been adjusted to reflect amortization or accretion.

For Regulated Investment Companies or Dividend Reinvestment Plan sales, for which the average price method has been chosen, positions are closed out on a First-In-First-Out (FIFO) basis.

These statements are not official documents for income tax reporting purposes and should not be relied upon for such purposes, including determination of income, cost basis, amortization or accretion, or gain/loss. Such information, which may be inaccurate, incomplete or subject to updating, should be confirmed with your records and your tax advisor.

DIVIDEND INCOME: Dividends credited to your account may include capital gains, non-taxable dividends and/or dividends on foreign stock. You may wish to consult your tax advisor with regard to your tax liability on these dividends.

ESTIMATED ACCRUED INCOME, ESTIMATED ANNUAL INCOME AND ESTIMATED YIELD CALCULATIONS: The following calculation descriptions are provided for your reference. Please note that other factors may affect your specific calculations, so if you would like more information, please contact your J.P. Morgan representative or call us at the number on the front of this statement. In general, **Estimated Accrued Income** is calculated by multiplying the current coupon rate with the current face amount for the number of days since the bond's last interest payment. **Estimated Annual Income (EAI)** is calculated by multiplying either the current coupon rate or an estimated annual dividend (generally calculated by annualizing the most recent regular cash dividend) by the quantity of the security held. For balances other than sweep program balances, **Estimated Yield (EY)** is calculated by dividing EAI by the market value of the security. You should also know that: (i) the figures shown in this statement are estimates based on mathematical calculations using data obtained from outside sources; they are provided for informational purposes only, and are not a projection or guarantee of future returns. (ii) because prices of securities, coupon and dividend rates are subject to change at any time, these estimates should not be relied upon exclusively for making investment, trading, or tax decisions. (iii) because different asset types (e.g., equities versus fixed income securities) tend to have different investment characteristics, these estimates should not be compared across asset types; (iv) EAI and EY for certain types of securities might include return of principal or capital gains, in which case the EAI and EY would be overstated. There is no guarantee that your investments will actually generate the EAI or EY presented, and your actual income and yield might be higher or lower.

IMPORTANT INFORMATION REGARDING AUCTION RATE SECURITIES (ARS): ARS are debt or preferred securities with an interest or dividend rate reset periodically in an auction. Although there may be daily, weekly and monthly resets, there is no guarantee that there will be liquidity. If there are not enough bids at an auction to redeem the securities available for sale, the result may be a failed auction. In the event of a failed auction, there is no assurance that a secondary market will develop or that the security will trade at par or any other price reflected on statements and online. Accordingly, investors

should not rely on pricing information appearing in their statements or online with respect to ARS. When J.P. Morgan is unable to obtain a price from an internal or outside source for a particular ARS, the price column on your statement will indicate "unpriced". A description of J.P. Morgan's practices and procedures regarding ARS is available at www.jpmorgan.com/muniars.

VALUATIONS OF OVER-THE-COUNTER DERIVATIVE TRANSACTIONS: Valuations of over-the-counter derivative transactions, including certain derivatives-related deposit products, have been prepared on a mid-market basis. These valuations are sourced from the various issuers of the securities, affiliates or they are sourced from a third party valuation provider. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the models or estimates used in deriving the valuations, (2) any errors or omissions in computing or disseminating the valuations, and (3) any uses to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use. Please refer to the trade confirmation for details of each transaction.

UNPRICED SECURITIES: When we are unable to obtain a current value from an internal or outside source for a particular security, the price column on your statement will indicate "Unpriced." Although such securities may have value, please note that the value of a security indicated as "Unpriced" will not be included in your overall current market value as reflected on the statement.

RESTRICTED SECURITIES: Restricted Securities (typically noted as "Restricted" or "RSTD" in the security description) have not been registered under the Securities Act of 1933 and may not be "freely traded." Since restricted securities are subject to certain restrictions which may render them illiquid or less liquid than freely-tradable shares, there can be no assurance a secondary market exists. While we typically use the value of the registered/unrestricted security of the same issuer and same class for statement (and other) reporting purposes, the price realizable in a sale of the securities may be less than the "Market Value" indicated and could be zero. No attempt has been made to independently value the specific security subject to its restriction. Additionally, inclusion of pricing of these holdings will result in the aggregated value of your portfolio as reflected on this report being overstated by an amount equal to the difference (if any) between the value of the freely-traded underlying security and the actual value of your restricted shares. For additional information on pricing, please see the "Market Prices" paragraph above.

THIRD PARTY INFORMATION: This statement contains (i) information obtained from multiple direct, indirect, affiliated, unaffiliated, public and proprietary data sources (including, but not limited to identifying information, market data, calculated data, reference data, valuations, ratings, coupon and dividend rates and other fundamental data) and (ii) information which is calculated based upon such information (including but not limited to, market values, Current Yield and Estimated annual income). Although your Custodian believes these sources and the sources of market values are reliable, it does not independently review or verify such information and neither your Custodian nor any source will have any duty or obligation to verify, correct, complete, or update any such information. Such information is being provided to you with all faults for use entirely at your own risk; without any warranty whatsoever by your Custodian, its affiliates or any such source. Neither your Custodian or its affiliates nor any such source shall have any liability whatsoever relating to any inaccuracy or lack of timeliness or completeness of such information or any use thereof or for omissions therefrom nor for any lost profits, indirect, special or consequential damages. Moreover, such sources retain exclusive proprietary rights in such information. You may use such information only for your internal use and purposes and not for reuse (other than in connection with the transaction or position for which the information is provided) or retransmission without prior written approval of the source, or for any unlawful or unauthorized purpose.

METHODS OF COMPUTING INTEREST ON DEBIT BALANCES: Interest is charged on a day by day

basis for any day that there is a net debit balance in your overall account. The calculation is made on a 360-day basis at the rate or rates shown on the statement. Interest rates may be changed from time to time with fluctuating money market rates or for other reasons.

DEBIT BALANCES: Please note that if you see a Debit Balance in the Assets and Liabilities Summary on this statement, we may be required to temporarily suspend dividend reinvestment plan ("DRIP") functionality and/or liquidate securities held in your account to fund and eliminate the debit balance. This message does not apply to approved Margin Accounts in good standing. If you have any questions, please call the appropriate number on the front of this statement.

FOR OPTIONS ACCOUNTS: Further information with respect to commissions and other charges related to the execution of listed options transactions has been included on confirmation of such transactions previously available to you and such information will be made available to you promptly upon written request.

PARTIAL CALLS: If a partial call is made with respect to an issue of securities included in your Accounts we will allocate the call by a method we deem fair and equitable.

BEARER BONDS: If any securities held by us for your account are bearer obligations which have been issued since December 31, 1982 with original maturities of more than one year, we agree that we will satisfy the conditions set forth in subdivisions (i), (ii) and (iii) of the Treasury Regulation Section 1.165-12(c)(3) and covenant that we will comply with the requirements of Treasury Regulation Section 1.165-12(c)(2)(iii) concerning the delivery of such bearer obligations.

MESSAGE FOR ACCOUNTS WITH NON-US DOLLAR ACTIVITY: The holdings listed within each asset class are segregated by currency. For Non-USD denominated holdings, both the USD and local currency valuations and total asset class valuations, as calculated by the exchange rate stated, are provided. Activity will also be presented by currency. Non-USD activity will display both USD and local currency valuations, as calculated based on the exchange rate of the activity date. All summary information presented in this statement is presented in USD, unless specifically noted as presented in non-USD currency.

FINANCIAL STATEMENT: A financial statement for JPMS is available for your personal inspection at our office, or a copy will be mailed to you upon written request.

REPORTABLE TO THE INTERNAL REVENUE SERVICE: As required by law, at year end, we will report to you and to the Internal Revenue Service and to certain states, certain information on sales (including short sales), dividends, and various types of interest that have been credited to your account.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ACCOUNT STATEMENT: Please review this statement closely and contact us as soon as possible if you notice an error (including things like possible unauthorized trading activity, unrecorded dividend payments or improper payments or transfers). In order to protect your rights, including any rights under the Securities Investor Protection Act (SIPA), you will be asked to provide details of the error in writing, using the information provided on the front of this statement.

In your written communication, please provide the following information: (1) your name and account number; (2) the dollar amount of the suspected error; and (3) a description of the error. Periodic statements will be binding on you unless you report the suspected errors in writing within 10 business days after the statement has been transmitted to you by mail or by electronic means. If you do not notify us within this time period, you agree the statement

activity and account balances are correct.

CHANGES TO YOUR INVESTMENT OBJECTIVES OR FINANCIAL SITUATION:

Please notify us as soon as possible if you experience a change in your investment objectives or overall financial situation, if you would like to impose or modify reasonable investment restrictions on your discretionary managed account, or if you have questions or concerns about the management of your account. If we do not hear from you, we will consider the information we currently have on file to be complete and accurate. You can review your current investment objectives, including investment restrictions, and/or make any changes to the personal financial information we have on file for your account anytime by calling the number listed on this statement. **If you send us any written correspondence, please be sure to include your account number.**

CHANGES TO YOUR MAILING OR EMAIL ADDRESS: Please let us know as soon as possible when there has been a change to your mailing or email address. You can update your account online at chase.com (under "Profile & settings") or by calling the number listed on this statement.

USA PATRIOT ACT: The USA PATRIOT Act requires that all financial institutions obtain certain identification documents or other information in order to comply with their customer identification procedures. Until you provide the required information or documents, we may not be able to open or maintain an account or effect any transactions for you.

ASSETS: Subject to regulatory or other pre-agreed limitations, all or any part of the securities in your account may have been used by us in securities financing transactions.

INFORMATION AVAILABLE UPON REQUEST: The date and time of the transaction and the name of the person from whom the security was purchased, or to whom it was sold will be furnished upon request.
