Hi Mom,

Dad will pay for his own dentures, as he has the funds to take care of himself.

For the other items, when I use your checks, I will let you know.

Thanks,
Huyu

Mom,

The info I have is that TheCemeteryExchange.com should have the most reasonable listing rate.

TheCemeteryExchange.com appears to have a relatively low commission cost for selling a cemetery plot, with listing fees ranging from \$71.95 to \$329.95. This is a one-time fee, and there are no hidden fees or commissions. This makes it a more cost-effective option compared to other platforms that may charge higher fees or commissions.

Also, we can list on Facebook Marketplace at the same time. If you are okay with this, I will start listing the Westminster Memorial plots.
