Hi Kim,

I've taken the liberty of CC-ing my sister. Hanh and I have been communicating in detail regarding my father's condition, and we generally reach agreement before taking concrete steps.

This morning, I submitted a records request to the Huntington Beach PD regarding the prolific calls concerning my father's household over the last several months. I intend to use that as one of the bases of requesting a TRO against Annalise Hunt on behalf of my father, which I'll submit ASAP.

Best regards,  
Mark
