Jeff,

I will be dropping off the REG 252 in the room today. If that is not what you want, please let me know and I'll postal-mail it on Monday.

Thanks,  
Huy

Huy,

Mom tried to take the title transfer material to AAA today to file, but they did not accept it since the date had been changed (even though initialed). The DMV site/handbook says errors on the title are not accepted, so they gave her REG 252 (<https://www.dmv.ca.gov/portal/handbook/vehicle-industry-registration-procedures-manual-2/odometer-mileage-reporting/vehicle-vessel-transfer-and-reassignment-form-reg-262/>) to fill out. This one is not available online since the original is required to be filled out on security paper. We filled it out but it requires your signature. She would like to mail the form to you today. She/we can drop it to the post office if this makes sense.

The Statement of Facts (form 256) looks ok.

Thanks,

Jeff

Hanh,

I left a manila folder on Dad's bed shelf. It has several items in it.

- Corolla:

1. In the folder is the car registration and 2025 sticker.
2. For transfer, in the folder there is the car title and REG 256 Statement of Facts. This is being done as a gift, with a tax advantage. I recommend you write GIFT in the Price of Sale field on the back of the title.
3. A Bill of Sale is not needed. And there's also another transfer related form, but that is a seller-only form, which I am doing online today.

- In the folder is also a business license fee statement Mom needs to pay, which is payable by phone. Also, I suggest you change the address for future use.

As for car insurance, as you have added Mom to your insurance, I will be taking the Corolla and Accord off the Geico policy today.

Thanks,  
Huy
