ENDORSEMENT

EXCLUSION OF NAMED DRIVER

Policy No.: 534952E3007671

Effective Date: Date/Date After Receipt

It is agreed that the insurance afforded by this policy, and the insurer's obligation to defend, including uninsured, underinsured, uninsured motorist property damage coverages and collision deductible waiver, shall not apply with respect to any claim arising from accidents or occurrences while any vehicle is being operated by

*Ho Van Cao*

This exclusion of coverage applies as well to the negligent or alleged negligent entrustment of a motor vehicle to the person named in this endorsement.

**The following information is required by the State of California:**

The California Insurance Code requires an insurer to provide uninsured motorist coverage in each bodily injury liability insurance policy it issues covering liability arising out of the ownership, maintenance, or use of a motor vehicle. Such section also permits the insurer and the applicant to delete such coverage completely or to delete such coverage when a motor vehicle is operated by a natural person or person designated by name, or agree to provide such coverage in an amount less than that required by subdivision (m) of Section 11580.2 of the Insurance Code, but not less than the financial responsibility requirements. Uninsured motorist coverage insures the insured, his heirs, or legal representatives for all sums within the limits established by law, which such person or persons are legally entitled to recover as damages for bodily injury, including any resulting sickness, disease, or death, to him from the owner or operator of an uninsured motor vehicle not owned or operated by the insured or a resident of the same household. An uninsured motor vehicle includes an underinsured motor vehicle as defined in subdivision (p) of Section 11580.2 of the Insurance Code.

I understand this exclusion endorsement will continue in effect upon renewal and will not be sent to me again at renewal or on any supplemental endorsements.
