Hi Miranda,

A few follow-up items.

1. I am still unable to lookup case 30-2023-01305196-CL-UD-CJC . Do you happen to have Ken's response that you can forward to me?
2. Were you able to verify that my father won't be cross-examined if he appears in Court just to answer our lawyer's basic questions? He is very nervous about this, given his advanced mental condition.
3. The accuser, Annalise, intends to submit a signed statement regarding her accusations. She will not otherwise testify nor appear in Court. I will help her and my father, and pretty much understand legal rules (I have represented myself several times in much larger civil proceedings). I will use the affidavit form, unless you think that is not necessary.

Please let me know, either by replying or by calling (714) 699-4447 or (408) 668-4440.

Best regards,
Mark

Limited scope is just a document for the attorney. The attorney does have an appearance fee of \$175.00

Hi Miranda,

Can you confirm that the limited-scope attorney representation for our case is at no additional cost, above what was originally paid?

Thanks,

Mark

I have been having issues with it myself, they don't have a call center I have been submitting requests through the website ask a question option. Just include all information for case with you question, from my understanding the tenant submitted an answer on the 17th.

Miranda,

I have been trying to search OC cases by:

case number: 30-2023-01305196-CL-UD-CJC

plaintiff: Ho Cao

defendant: Ken Vanatta (the last named is purposely misspelt)

address: 16272 Chipper Lane, Huntington Beach, CA 92649

But no luck. In early February, I was able to find the case. Any idea why I can't find it? I am trying to see if the defendant ever responded to the case.
