I will pay for her ticket  
Will see if she wants to take some of my work clothes

Hi Mom,

While I visited Dad today, I started a video call with Samantha so she could say hello to Dad.

Dad was quiet throughout the call, although he did wave hello to her. Samantha gave an update about where she's at and what she has been doing. She talked about her management work with Montessori schools, and she also mentioned that she will likely visit California soon. If that pans out, she will get to visit Dad in person.
