Hi Ally,

I have a very bad news

My husband had a very bad stroke a month ago

His condition is getting worse and no hope to improved

He has been in an assisting living nursing care

My situation is I need time to recover myself at Maui If he passed away, but i do now know when?

I have to make decision very soon , because my reservation is the prime time in Hawaii

Please go ahead and take new applications for my occupancy

I will check with you again if my situation changes

If i can not make my dream comes true this time, will check with you again for another period

Thank you for your time
